

**Dads Matter is a FREE, accredited 12-week course supporting fathers across Norfolk.**

Whether a father is living with his children or apart from them, his role in their upbringing is of huge importance. **Dads Matter is not a parenting course, it's a course for parents.**

Over the course of the twelve weeks within the **2-hour sessions**, we discuss many different aspects of child development to shine light on why children behave the way they do. From the terrible twos to the sullen teenager.

**It's called  
"Dads Matter"**

**because  
they do!**

**“I was struggling and had nobody to talk to. I found being with the others really helpful, non-judgemental as we were all struggling in different ways.”**
